www.HRCEngineers.com

Position: Entry Level Land Surveyor / Internship

Experience Required: 0-5 years' experience

HRC—Engineers, Surveyors, and Landscape Architects—located in Douglasville, GA (Metro-Atlanta), has an opening for a graduate with a Bachelor's Degree in Land Surveying or an equivalent degree, or an internship for a student working toward an equivalent degree.

Preferred Knowledge: Candidate should possess experience in or a desire to be involved in performing assignments designed to develop professional land surveying work, knowledge, and abilities. Work requires application of standard techniques, procedures, and criteria in carrying out a sequence of related land surveying tasks. The candidate will participate as a member of a design or project team and perform land surveying duties in the planning and designing of structures and facilities, such as follows: commercial site development, single-family and multi-family communities, land disturbance activity permitting, sporting club and resort communities, construction layout, erosion and sediment control, and storm water management issues.

Skills Preferred: AutoCAD; Carlson Survey

Salary and Benefits: We offer a competitive salary and benefit package, and a 401K plan.

Education/Experience Requirements: Graduate or pursuing a Bachelor's Degree in Land Surveying or related discipline.
